

PLAYING IN A MATCH

When you decide you wish to play in a match, (a ladies, a men's or a mixed game), there are Match Lists with all the necessary information on noticeboards on the left hand wall as you enter the foyer. There are three notice boards, one for Mixed Matches, one for Ladies Matches and one for Men's Matches.

All Match Lists have the Date and Time of the game, the name of the Opponent, whether the game is Home or Away and the Dress Code, either Whites or Greys.

Also listed, if it is an Away game, is a car list with the driver's name and who will be in each car (this is decided by the captain).

If you add your name to the Match List for being available to play, it is **your responsibility** to either call in to the club and check the Match Sheet to see if you have been selected to play or if you are not able to get to the club, contact the captain by telephone and check with him/her.
